

eDataPay Palm Beach

Hello Natalie,

Quick pricing summary — Pricing & Next Steps

All app fees are passed at cost.

Core gateway

- **Gateway (monthly):** \$10
- **Per-transaction:** \$0.10 per transaction

Apps / Optional (monthly)

- **Invoicing (optional):** \$10
- **Biller Genie (QuickBooks connector):** \$10
- **Customer Vault:** \$10.60 (card-on-file storage: \$0.095 per card, one-time)
- **Tap-to-Pay (phone NFC):** \$0.10 / txn
- **Mobile device (iProcess) license:** \$8.20 / device
- **QuickBooks connector:** \$10
- **Cash Discount App:** \$10 (lets you add a convenience fee; you keep the profit)

Bottom line (examples)

- Website only: \$10/month + \$0.10/txn
- Website + QuickBooks (Biller Genie + QB connector): +\$20/month in apps
- Adding a 7% convenience fee (or \$7 on a \$100 sale) typically offsets processing + app costs; processing can cost you essentially nothing.

Notes

- Apps are charged at cost (per Tony & Andrew's recommendation).
- Tap-to-Pay and mobile device have device or per-txn charges as shown.
- Invoicing is optional — use it only if you want hosted invoicing.

Next step

Please confirm which apps will work for you and we will finish the easy activation and setup.
